DETAILED ACTION

This final Office action is in response to the amendment filed December 6, 2004 by which claims 1-3, 5, 9, 10, and 15 were amended and claim 7 was canceled.

Claim Objections

Claims 1, 4, and 5 are objected to because of the following informalities:

In line 12 of claim 1, it appears that a word, such as --therebetween--, should be inserted before "for receiving".

In line 1 of claim 4, it is suggested that "boss" be changed to --of the bosses--, since bosses have been set forth in claim 2.

In line 2 of claim 5, it appears that "is" should be changed to --are--.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1, 2, and 4 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The recitation "all" in line 11 of claim 1 renders the claim indefinite since it is unclear what structure is being referenced. *To correct this*, it appears that perhaps "all" could be changed to --each of said portions---.

Claim 2 is rejected under 35 U.S.C. 112, second paragraph, as being incomplete for omitting essential structural cooperative relationships of elements, such omission amounting to a gap between the necessary structural connections. See MPEP § 2172.01. The omitted structural cooperative relationships are: between the bosses and the portions recited in claim 2.

Claim 4 recites the limitation "the stack of upright shelves" in line 4. There is insufficient antecedent basis for this limitation in the claim. *To correct this*, it appears that "stack of upright" should be changed to --vertically stacked--, in view of claim 3, line 4.

Allowable Subject Matter

Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action. *Thus*, claims 2 and 4 would also be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and claims 3, 5, 6, 8, and 9 are objected to as being dependent upon a rejected base claim.

Claims 10-14 and 15 are allowed.

Response to Arguments

Applicant's arguments with respect to claims 1-6 and 8-15 have been considered and in view of the amendments to the claims, an indication of allowable subject matter has been advanced above.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
